

Responsible. Green. Recycling.™

Procedures for Shipment

1. Put InnerPak liner into container. Adhere the red return shipping label to the outside of the container & fill out the Accumulation Start Date.

2. Fill completely with small electronic waste. Once filled close & secure the InnerPak liner. Seal the top of the BakPak™ closed with the self-locking lid.

3. Call 1.800.GoFedEx® or 888.777.6040 for pick-up.

Certificate of Recycling

4. Once BakPak™ is received your eWaste is recycled & a Certificate of Recycling is issued.
